## MS Charity Partner

MS, the official charity partner of GoFish Nagambie, are excited to be part of the inaugural event.

Multiple sclerosis is a disease of the central nervous system. There is no cure. It can strike anyone at any time and the symptoms vary widely.

The GoFish Nagambie MS Raffle will raise vital funds to provide support services to people living with multiple sclerosis, to ensure no one has to face this debilitating disease alone.

The MS Raffle will give punters the chance to take home the major prize - a Stacer 429 Rampage boat package, complete with aluminium Stacer trailer and 25HP Evinrude outboard! Second prize is a two-night stay at Barong On The Water and third prize a GT Pro Extra Lite III custom fishing rod! Get your tickets by Saturday evening to go in a special, early bird draw for your chance to win a Lowrance HDS-9 Live sounder!

Look out for Ms team in the 'GoNagambie Festival Hub' to check out these great prizes and get your raffle tickets during the GoFish Nagambie event. Raffle tickets are \$5 each, or 6 for \$20, or 20 for \$50. These amazing prizes are up for grabs thanks to the generosity of Stacer, Evinrude, Lowrance and GT Custom Rods.

MS are also excited to present the inaugural GoFish Nagambie MS Family Program, providing people living with multiple sclerosis, their families and carers a unique experience at GoFish Nagambie.

10 families will be attending the GoFish Nagambie MS Family Program, where they will be participating in the fishing tournament, experience a range of organised activities at the GoNagambie Festival and have an opportunity to meet and form friendships with other families also facing multiple sclerosis.

The GoFish Nagambie MS Family Program wouldn't be possible without the generous support of Solar City Marine, Trellys, Torqeedo, Aquayak Kayaks and Lakes Yoga who are providing equipment and activities for the MS Family Program.
